Good morning!

Thank you all for your prompt and unanimous support of Board officers. All Board members supported Galliard's Nick Gage in a second term as Chairman of the Board (2022-2023). All Board members supported Morley's Shane Johnston and Invesco's Mike Leonberger as Co-Chairs of the Committee's Government Relation for a two-year term (2022-2023). Their election will give them and Bradie Barr the remainder of this year to transition the leadership on the Committee.

Kind regards,

gina
